

Chapter - 09 Generating videos Using AI

Objective :

Students will be able to:

- Understand the functionalities of AI-powered PowerPoint creators.
- Learn how to create PowerPoint presentations using text-based prompts.
- Explore practical applications of AI-generated presentations in various projects.

Skills to be Attained:

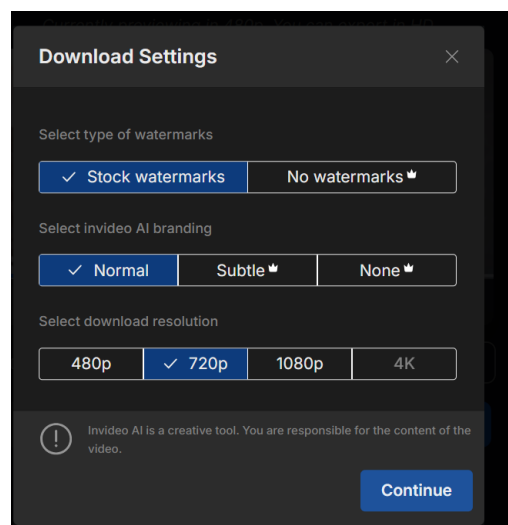

Using AI for creating videos

Tools/Website/Resources:

Access to free AI film creators <https://ai.invideo.io/>

Teacher-Led Instruction:

- Step1 : Login to <https://ai.invideo.io/>
- Step2 : Signup and give title and details for the video you wish to create
- Step3 : Generate video
- Step4: click download and download the completed video

Student's Activity

Step1 : Login to <https://ai.invideo.io/>

Step2 : Signup and give title and details for the video you wish to create

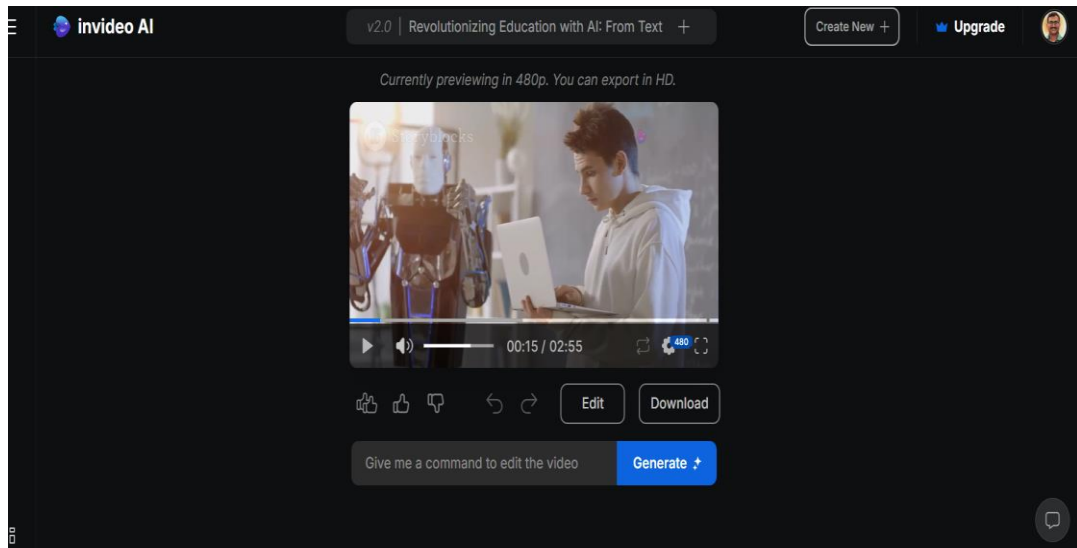

Use any one of this titles and generate videos

- ✓ **"A Day in the Life of a Time Traveller"**
 - A student travels to different eras and learns history first hand.
- ✓ **"How Plants Talk: Adventures in the Garden"**
 - A fun, animated story from the perspective of talking plants.
- ✓ **"Planet Earth in the Year 3024"**
 - A futuristic documentary imagining what life might be like in 1,000 years.

Step3 : Generate video

Step4: click download and showcase the completed video

Saving and Sharing:

Conclusion

Students share ideas on how they can use AI-generated films and photo stories in their own projects
